However, the coach will determine an individual player's actual playing time. Playing may not be equal in a game or weekend. Playing time should be measured over the course of the season.
- Players should strive constantly for high academic achievement and scholastic standing. Players need to know that in order to participate in high school athletics, TSSAA requirements state that five (5) subjects must be passed in the semester prior to player participation in any high school sport. Also, academic achievement will be the athlete's best ally or worst enemy when pursuing the college of his/her choice. Coaches may periodically ask players for a copy of his/her report cards.
- Player use of alcohol, tobacco, or drugs is strictly prohibited and will result in disciplinary action - including dismissal from the team.
- Brentwood Soccer Club's select program is a **full year commitment**, running nine to ten months, depending upon the team. Players may not switch teams in the middle of the season and are expected to fulfill the year long commitment. Team rosters are updated annually through a tryout process.
